IPOC GUIDELINES FOR REOPENING OF THE BUILDING

IPOC’S Board of Directors is making every effort to make sure we operate in a safe environment for all members and guests. We will continue to follow the guidelines of the CDC, the State of Florida and the City of Lakeland.

- Everyone will wear a mask entering and while in the building.
- **No vented masks are allowed. Masks should cover the mouth and the nose.**
- Non-touch temperature must be taken, must be below 100.4 degrees.
- Maintain a space of 6 feet apart at all times.
- Hand Sanitizer will be available at the door. Wash hands frequently and use hand sanitizer.
- Bring your own chairs and crates.
- Bring your own beverages to drink and water for your dog.
- Waivers will be on website for print out, or available at the door and must be signed if you are new to the building and have not signed a waiver previously.
